

JOB ANNOUNCEMENT

Classification Title: Information Literacy Librarian, Instructor Library Services

Working Title: Information Literacy Librarian, Instructor Library Services

Position Type: Faculty

Department: Library

Job Summary/Basic Function:

Working collaboratively in a team-based environment, the Information Literacy Librarian will:

- Teach course-integrated and stand-alone information literacy sessions
- Provide research assistance to students and faculty both individually and in groups
- Staff the reference desk, including some evening and weekend shifts (in rotation with other librarians)
- Develop user guides and training materials
- Serves as the library liaison to assigned academic disciplines and departments including collection development.
- Pursue outreach partnerships with campus programs and departments and seek opportunities to integrate library resources and instruction into academic and special programs.

Minimum Qualifications:

- Master's degree in Library Science or Information Science from an ALA accredited institution
- Experience in an academic library
- Successful experience or training in library user education, information literacy, academic research, and instructional technology
- Experience supervising library and student assistants
- Excellent communication and analytical skills
- Supervisory experience; commitment to service; and the ability to work cooperatively and adapt to new technology

Closing Date: Open Until Filled

Special Instructions to Applicants:

Review of applications will begin June 15, 2013.
