

JOB ANNOUNCEMENT

Classification Title: Serial Librarian, Instructor Library Services

Working Title: Serial Librarian, Instructor Library Services

Position Type: Faculty

Department: Library

Job Summary/Basic Function:

Working collaboratively in a team-based environment, the Serials Librarian will:

- Manage the selection, purchasing, licensing, access and maintenance of serials in all formats
- Coordinate interlibrary loan
- Work in concert with the Systems Librarian to maintain online databases
- Serve as a liaison, providing collection development support and information literacy instruction, to assigned academic departments
- Staff the reference desk, including some evening and weekend shifts in rotation with other librarians

Minimum Qualifications:

- Master's degree in Library Science or Information Science from an ALA accredited institution
- Experience in an academic library
- Experience utilizing an integrated library system
- Cataloging experience and familiarity with current and emerging standards in library metadata, including MARC21, FRBR, and RDA
- Excellent communication and analytical skills
- Supervisory experience; commitment to service; and the ability to work cooperatively and adapt to new technology

Posting Date:

Closing Date: Open Until Filled

Special Instructions to Applicants:

Review of applications will begin June 15, 2013.
