

# SAVE THE DATE

## OPEN EDUCATIONAL RESOURCES LIBRARIAN CONFERENCE

**JUNE 25TH / 9:30 AM CST**

★★★★★  
Register Today

### About the Conference

Hosted by Tennessee State University and the National Center for SMART Technology Innovation, under the leadership of Dr. Robbie Melton. This HBCU Librarian conference will offer strategies, support, engagement, and information for creating and sharing open educational resources on your campus. Engage your colleagues, from across the HBCU network, who have conducted research and presentations on best practices and technologies to support their faculty and become the heroes and sheroes of their institutions.

### Our Services
