Enter your legal name exactly as it appears on official documents, such as your driver's license or passport. Please do not use nicknames.

Matching of your supplemental documents (e.g. test scores and transcripts) will be difficult if different names are used, and will significantly delay the processing and completion of your application.

**Helpful Tip**: If you ever changed your name, please be sure to include your previous list name in the "Previous Last Name" section below.

Helpful Tip: Are you an international applicant who intends to request an I-20 form (for F-1 status) or a DS-2019 form (for J-1 status)? The name you enter on your application must exactly match the name as it appears in your passport.

An earned baccalaureate degree from a regionally accredited

(http://admissions.gmu.edu/transfer/transferCreditAccreditation.asp?\_ga=2.256063499.1091027007.1522520943-1669336183.1522520943) institution of higher education, or international equivalent, is required to be eligible for graduate studies at George Mason University. The expectation of an earned baccalaureate degree prior to the first day of classes for the term for which the student is applying will also meet this requirement. Students who are awaiting conferral of the degree will be permitted to register for their first semester.

Are you not sure your university or college was regionally accredited in the US? You may check by visiting U.S. Department of Education (http://www.ed.gov/accreditation?src=accred), selecting "Look Up A School" and comparing your schools accrediting body against those listed on our FAQ's (https://www2.gmu.edu/admissions-aid/how-apply/graduate/frequently-asked-questions?\_ga=2.91295898.1091027007.1522520943-1669336183.1522520943) under Before You Apply. If you are still unsure, please don't hesitate to contact us at masongrad@gmu.edu (mailto:masongrad@gmu.edu).

Non-regionally accredited degrees are ineligible to meet this requirement. Exceptions will not be granted, and submitted applications will not be considered, nor will refunds be issued for applications who submit an application without a regionally accredited degree or international equivalent.
