

# Impact of AI on HBCU Libraries:

## AI Tools for Teaching, Learning, and Research

Join us in exploring how Artificial Intelligence is transforming Historically Black Colleges and Universities (HBCUs).

### Teaching with AI

- Content Curation
- Predictive Analysis

### Learning with AI

- Personalized Learning Paths:
- AI-powered Research Tools

### Research with AI

- Data Analysis:
- Automated Literature Review
- Predictive Modeling

### Copyright, Plagiarism, and AI

- Copyright and AI
- Plagiarism and Originality
- AI Detectors
- Citing AI Content

Join us in leading the discussions on these emerging issues and in developing guidelines for the ethical use of AI.
